SUITS FOR EVERYONE

The new Dakota BP800PLAY is a 2DIN car radio that is diverse in entertainment with the latest technology and advanced connectivity for easier controls. Dakota BP800PLAY is also designed to enable smartphones (iPhone or Android Phone) usage safely in the car thanks to the CarPlay™ and Android Auto™ technology. An elegant car radio for everyone to enjoy.

Works with
Apple CarPlay

androidauto

You can use your smartphones in your car prior to benefits from having Dakota BP800PLAY.
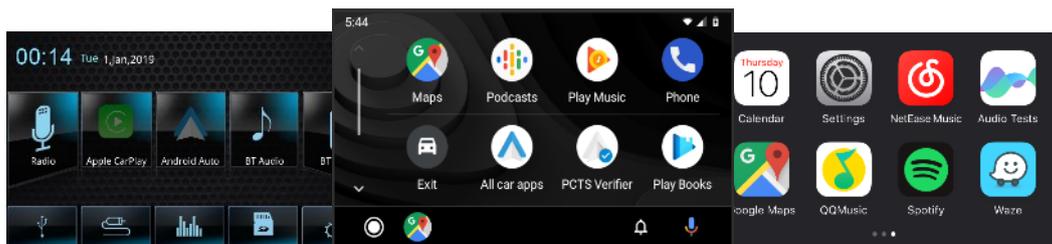

CARPLAY™

Apple launched CarPlay™ technology to allow smartphones to be used while driving. These systems can be used for navigation control, weather report, answering and making phone calls, playing music, etc. The digital assistants "Siri" is also enabled in these systems.

ANDROIDAUTO™

Google launched Android Auto™ technology to allow smartphones to be used while driving. These systems can be used for navigation control, weather report, answering and making phone calls, playing music, etc. The digital assistants "Hey Google" is also enabled in these systems.

HOW TO CONNECT

The DAKOTA BP800PLAY **Android Auto** app must be downloaded from Google Play Store. Establish connection via USB cable.
The DAKOTA BP800PLAY **Apple CarPlay** is built-in for all iPhones 6S & above. Establish connection via USB cable.
